This conference series, began in 1981, is widely acknowledged as a forum for the exchange of information among researchers, consultants, government regulators, equipment manufacturers and mining industry professionals. Papers are invited in the fields of ground, strata, and roof controls with emphasis on applied theories, problems solving, and case studies.

Special events will be planned to celebrate the 25th anniversary of this conference series!

Abstracts Due | January 13, 2006
--- | ---
Acceptance Notification | February 17, 2006
Final Papers Due | May 12, 2006
Paper Acceptance Notification | June 16, 2006
Conference | August 1 – 3, 2006
